Advance Diploma in Interior Decoration

Advanced Diploma in Interior Design is a Diploma level Fashion & Interior Designing course. This course will develop and enhance your skills and knowledge required for creative and technical solutions for detailing complex residential, commercial and institutional interior environments. Gain the skills required to research, analyze and integrate your knowledge into designs that meet efficiency, comfort, safety and aesthetic requirements within an interior. Students also learn how to stay abreast of trends, fashions and technical developments in the design area, develop and maintain knowledge of sources related to products, suppliers and contractors. The course will provide you with a breadth, depth and complexity of skills and knowledge for interior design processes which follow a systematic and coordinated methodology.
