

Advance Diploma in Hair Technology

From tip to toe, become a complete beauty expert with Orane International
Advanced Diploma in Aesthetics & Hair Designs

The course covers basic to advanced levels of beauty, hair and makeup, thereby empowering you with a skill set that's vast and unmatched

Under the beauty segment, the course commences from basics like cleansing to facials, manicures, pedicures, superficial hair removal techniques etc and concludes with advanced skin treatments like glycolic peels, galvanic facials and more

The hair designing section imparts training on hygiene, sanitation & sterilization of various hair styling tools and begins with basics like the anatomy of hair and scalp, introduction to hair disorders, basic haircare with shampoo and conditioning, head massage etc

A wide range of thermal styling techniques, hair colouring, haircuts, hairdos and hairstyles are covered, followed by cosmetic professional treatments for hair loss, dandruff and hair spa

The Advanced Diploma in Aesthetics & Hair Designs at Orane International School of Hair, Skin & Makeup also covers basic to professional levels of makeup and nail art besides bridal Mehendi application and body massage

Throughout the coursework that follows 60% practical and 40% theory pedagogy, Oranians are trained on soft skills for overall personality development and professional image building

Upon successful completion of the course, our placement team assists the trainees in making their entry into the booming beauty industry of India as certified aestheticians, hair designers, beauty therapists or cosmetologists
