Diploma in Art & Craft Teacher Training

Diploma in Art and Craft program has been brilliantly designed for those who are interested in their field of art & craft, and for those too who have been any such thing as a hobby. It is understood that artistic creativity comes from within, what Vocational education does is that it gives the artists better ways and methods to express themselves.

Syllabus and Course Description

Since there is no standardized national level syllabus for this course, there are some differences in the curriculum for this course. Also, with some institutes offering a 2-year course, their curriculum is much advanced than those offering a 1-year course.
