## Advance Diploma in English Teacher Training

Diploma in English Course focuses on teaching students the basic fundamentals of English language and its literature. This course helps the students to build their academic and research skills, as well as develop their academic, cultural, and linguistic knowledge. Candidates in this course learn to teach or instruct in English language and serve in various business organizations.

This course introduces English Literature and often other materials from various genres of literature, including poetry, dramas, and novels as well as specialized writing. Candidates will study the history of the language, reading, composition, grammar, language acquisition, and language development. This course helps to candidates to make teach classes and lesson plans.
